FAQs:

1. Best time to take entry?

Please take entry in morning opening along with us, any delayed entry will not match the PNL and trades with ours.

2. Is it okay if my trades are different than paper?

Yes, strategy checks conditions individually for each account

3. Manual exits and Reactivation of strategy?

We do not suggest manual interference.

4. When to enter/exit from strategy

1. Don't exit positions from broker terminal, exit all strategy position from Tradetron only. (Except Tradetron errors day).
2. Don't start strategy in market hours. Start your strategy before or after market hours only. Else it wil impact the overall profit/loss.
